21 DAYS

OF PRAYER & FASTING

We are so excited about what the Lord is going to do in and through us during this time. I am so glad that you are seeking after the Lord together as His church. Below is a brief description of fasting for your spiritual growth.

Fasting is a grace given to us by God. We fast to draw near to the Lord and experience Him more deeply. Jesus tells us not to seek approval or make it self-centered. What we see throughout the Bible is individuals fasting but also whole communities and churches fasting and praying together.

Jesus also told us that man does not live on bread alone but on every Word from the mouth of God. I encourage you to read the Word and pray over your normal meal times. Below you will see some different types of fasting and tips.
