| <b>Holcomb, Justin</b>              | Knowing the Bible: Ecclesiastes     | Crossway Books  | 12 sessions                                |                                                  | <a href="#">Link</a>                                        |                            | S, E Quillman   | The kids wanted to study Ecclesiastes. I used this because it was the best thing I could find at the time to study Ecclesiastes. Takes a bit of effort to translate Knowing the Bible studies into a small group format, but we really liked digging deep into Ecclesiastes. Their study formats also provide a lot of material for group members to take home and get deeper with personally. And now Crossway also has these studies published in book form for < \$10. I really like these studies. |

| Willard, Dallas | Hearing God: Developing a Conversational Relationship with God  | Amazon                 | 9 sessions  |                      | <a href="#">Link</a> |                     | S, E Quillman   | Willard is great. Lots of words and deep. There is a RNM video series for this book, but we didn't use it. There is also a study book related to the main book which we purchased, but quit using. The study book seemed to go off on its own and didn't really follow the main book much. More like it was "inspired by" the main book. I highly recommend the main book, and do not recoomend the study book. |
